VOTE OF THANKS

We, Heads of State and Government meeting on the occasion of the Second Extraordinary Session of the Assembly of the African Union in Sirte, the Great Libyan Arab Jamahiriya from 27 to 28 February 2004 express our sincere thanks and gratitude to Brother Muammar Ghaddafi, Leader of the Great Al-Fatah Revolution, and the people of Libya for the warm welcome and fraternal hospitality extended to all participants. We pay a glowing and deserving tribute to Brother Muammar Ghaddafi for his exemplary commitment to the consolidation of African unity and solidarity, as well as the foundation of our new African Union.

We are gratified at the encouraging progress made since the launch of the African Union, particularly the entry into force of the Protocols relating to the establishment of the Peace and Security Council and the Pan-African Parliament, as well as the Peer Review Mechanism.

We thank the host country for the excellent facilities placed at our disposal and everyone who in one way or the other contributed to the success of this Summit.

Done in Sirte on 28 February 2004.
